

Bunge Safety & Health Policy

Our Vision

Bunge is dedicated to achieving a zero-incident culture by integrating safety into all locations and businesses through a process of continuous improvement.

Our Commitment

The prevention of fatalities and serious life-altering injuries of employees, contractors and visitors is the foundation of this policy. All of our processes, products and services meet, or exceed, all applicable safety and health regulations.

Our Principles

- No work is so important or urgent that it cannot be performed safely.
- We always put safety ahead of profit and production.
- We act swiftly to eliminate or control all high potential exposures.
- We are guided by the Bunge Safety Management System.
- Safety performance is a key indicator of organizational excellence.
- All levels of management and supervision are accountable for demonstrating proactive safety leadership.
- All employees are provided with the knowledge, skills and resources necessary to perform their job safely.
- Each individual working on our sites is responsible and accountable for their own safety and the safety of others.
- We promote off-the-job safety and wellness for our employees and in the communities where we work.
